

Member Family Assistance Program (MFAP)

LifeJourney

LiUNA Local 506 members can access LifeJourney, an innovative Member Family Assistance Program (MFAP) offering 24/7 personalized care and support. Whether through the LiUNAcare vCare mobile app or by phone, LifeJourney provides timely assistance whenever you need it. Receive support every step of the way.

You and your dependents can access resources like legal and financial assistance, nutritional consultations, and mental health support. Available via the LiUNAcare vCare mobile app or by phone, a dedicated Care Advocate will help you find the right resources and create a personalized plan. LifeJourney brings all your wellness services together in one place. Once your account is activated, you and your eligible dependants can also enjoy these resources.

Prefer the phone? LifeJourney has you covered.

Start your journey today!

Download the vCare app now to get started:
